

MIRROR OF HOPE

VOLUNTEERING

MOH IS A HAND UP ORGANISATION, IMPROVING THE LIVES OF WOMEN AND CHILDREN, LIVING IN AFRICA'S LARGEST URBAN SLUM, THROUGH EDUCATION AND ENTREPRENEURSHIP PROGRAMS.

We offer you the chance to join us, volunteering at the MOH, using your specialised skill set, helping others and making a real difference.

School Holiday Program

Sponsored students attend a school holiday program that provides a safe environment to play and interact with positive people through mentorship. Throughout the program, the students are taught life skills, leadership skills, academic talks, engaging in a wide range of activities that nurture their talents and enhance their future prospects.

Skills and Experience

Volunteering at the Mirror Of Hope requires people that can contribute in a positive way. A police check and working with children's check is essential.
